KEEP OUT OF THE REACH OF CHILDREN
FOR INDUSTRIAL USE ONLY

PERSONAL PROTECTIVE EQUIPMENT-
GLOVES & GOGGLES RECOMMENDED

DIRECTIONS FOR USE

Apply to surfaces by spray, brush or wipe. On stone, brick and concrete, apply with a paint brush to fully get into the surfaces to be cleaned. Repeat this for few minutes to allow LCB to go behind the soil to allow it to lift off the surface where the soil may have become lodged. Rub back and forth to remove stain. Organized vehicle finishes, apply to cloth, wipe, rinse. Use Disappea or 55M if needed on vinyl and painted surfaces to restore shine. Surfaces such as brick, concrete, leather architectural stones, playground equipment, park and bench furniture: use of a scrub pad or brass scrub brush, may be needed to remove paint or ink that has penetrated the surface. Rinse with water. Wear gloves and goggles.

#11303

8 336990003 7

Overspray Paint and Environmental Contaminant Remover

"Does in seconds what a clay-bar does in hours!"

CAUTION
